EFFECT, UNDER IMMIGRATION LAWS, OF PERMIT TO REENTER

This permit shall have no effect under the immigration laws, except to show that said alien is returning from a temporary visit abroad; nor shall it be construed to be the exclusive means of establishing that the alien is so returning. The possession of an unexpired permit to reenter the United States relieves the alien to whom it is issued from the necessity of securing a visa from an American consul before returning to this country. It does not, however, relieve the person to whom the permit is issued from meeting all other requirements of the immigration laws. **PERSONS WHO HAVE BEEN CONVICTED OF OR ADMIT HAVING COMMITTED A FELONY OR OTHER CRIME OR MISDEMEANOR INVOLVING MORAL TURPITUDE EITHER BEFORE OR AFTER ENTERING THE UNITED STATES, OTHER CRIMINALS, IMMORAL, INSANE, MENTALLY OR PHYSICALLY DEFECTIVE ALIENS, THOSE AFFLICTED WITH LOATHSOME OR CONTAGIOUS DISEASES, AND OTHERS FOUND TO BE INADMISSIBLE UNDER THE IMMIGRATION LAWS ARE SUBJECT TO EXCLUSION IF ATTEMPTING TO REENTER, NOTWITHSTANDING THEY MAY BE IN POSSESSION OF REENTRY PERMITS.**

EFFECT OF ABSENCE FROM UNITED STATES UPON NATURALIZATION ELIGIBILITY

"Absence from the United States for a continuous period of more than six months but less than one year during the period for which continuous residence is required for admission to citizenship, immediately preceding the date of filing the petition for naturalization, or during the period between the date of filing the petition and the date of final hearing, shall be presumed to break the continuity of such residence, but such presumption may be overcome by the presentation of evidence satisfactory to the naturalization court that such individual had a reasonable cause for not sooner returning to the United States. Absence from the United States for a continuous period of one year or more during the period for which continuous residence is required for admission to citizenship, immediately preceding the date of filing the petition for naturalization or during the period between the date of filing the petition and the date of final hearing, shall break the continuity of such residence, except that in the case of an alien who has resided in the United States for at least one year, during which period he has made a declaration of intention to become a citizen of the United States, and who thereafter is employed by or under contract with the Government of the United States or an American institution of research recognized as such by the Attorney General, or is employed by an American firm or corporation engaged in whole or in part in the development of foreign trade and commerce of the United States or a subsidiary thereof, no period of absence from the United States shall break the continuity of residence if—

"(1) Prior to the beginning of such period (whether such period begins before or after his departure from the United States) the alien has established to the satisfaction of the Attorney General that his absence from the United States for such period is to be on behalf of such Government, or for the purpose of carrying on scientific research on behalf of such institution, or to be engaged in the development of such foreign trade and commerce or whose residence abroad is necessary to the protection of the property rights in such countries of such firm or corporation, and

"(2) Such alien proves to the satisfaction of the court that his absence from the United States for such period has been for such purpose." (See 307 (b), Nationality Act of 1940; 54 Stat. 1142; 8 U. S. C. 707.)

If you expect to be absent from the United States for one year or more for one of the purposes indicated above, you should forward with your application for a reentry permit application, in duplicate, on Form N-470 "Application for Benefits of Sec. 307 (b) or 308, Nationality Act of 1940," copies of which may be obtained from the nearest immigration and naturalization office.

"Any alien who has been lawfully admitted into the United States for permanent residence and who has heretofore been or may hereafter be absent temporarily from the United States solely in his or her capacity as a regularly ordained clergyman or nun, shall be considered as residing in the United States for the purpose of naturalization, notwithstanding any such absence from the United States, but he or she shall in all other respects comply with the requirements of the naturalization laws. Such alien shall prove to the satisfaction of the Attorney General and the naturalization court that his or her absence from the United States has been solely in the capacity hereinbefore described." (See 308, Nationality Act of 1940; 54 Stat. 1143; 8 U. S. C. 708.)

PENALTY FOR FALSE STATEMENTS

"Whoever knowingly makes under oath any false statement in any application, affidavit, or other document required by the immigration laws or regulations prescribed thereunder, shall upon conviction therefor be fined not more than \$10,000 or imprisoned for not more than five years, or both." (Sec. 22, Act of May 26, 1924, 43 Stat. 153, Sec. 220.)
